## **U.S. Employee Benefits Services Group Acquires Sierra Data Group Assets**

**Iselin, NJ, October 27, 2016** – U.S. Employee Benefits Services Group (USEBSG) announced today that they have acquired some of the assets of the Sierra Data Group (Sierra Data). Based in Concord, CA, Sierra Data is a leading independent third party administrator (TPA) servicing clients throughout Northern and Central California.

Sierra Data has provided a very high level of service to their clients over many years. Through a combination of technology and personal touch, they have become a benchmark in the industry.

“We are thrilled to make the transition of our services to OMNI. Their reputation precedes them and our expectations have been exceeded at every level,” said Jim Zwack, President of Sierra Data.

Mark Skinner, President of USEBSG said, “I have known Jim professionally for several years. His commitment to his clients and delivering a high level of service has been exceptional.”

Robert McLean, President and CEO of OMNI said, “We look forward to continuing the terrific service that Jim and his team have provided, while introducing an expanded array of services to complement the great foundation they have built.”
