## **U.S. Retirement & Benefits Partners Acquires Assets of National Benefit Partners**

**Iselin, NJ, October 2, 2017** – U.S. Retirement & Benefits Partners (USRBP) is pleased to announce that they have acquired the assets of National Benefit Partners (NBP), the largest Independent Marketing Organization (IMO) in the voluntary employee benefits and worksite insurance market. With East and West coast offices, NBP supports brokers nationally, providing “best in class” insurance products, underwriting, administration, and consolidated billing services.

Dan Jund, Chairman and Managing Partner, and Frank Doherty, CEO and Managing Partner, founded National Benefit Partners in 2005. Dan joined USRBP as a Consultant, and Frank, along with Brian Jund, President, and Doug Kreszl, Director, are Managing Partners of U.S. Employee Benefits Services Group, USRBP’s benefits division.

Mark Skinner, President and CEO of USRBP said, “Bob Dughi, USRBP Executive Chairman of the Board, and I have had the pleasure of knowing and working with Frank and Dan for over 20 years and their knowledge and expertise in the market will add significant value to the company. We are also excited to bring Doug and Brian into our Partners group given the depth and diversity of their experience, and to support their exciting new program, Benefits That Benefit Children.”

Frank Doherty said, “Having had an opportunity earlier in my career to work with Mark and Bob, and staying in touch with the USRBP enterprise, I am thrilled to reconnect with them and bring NBP to the next level.”

“With my experience in the employee benefit field as the president of a national insurance company, I’ve had the opportunity over my career to observe many organizations. Without a doubt, aligning NBP with USRBP will allow us to continue to deliver the best products and services to our Allied Distributors and, in turn, their clients,” said Dan Jund.
