**U.S. Retirement Partners Selects CentreTEK for
Website Project Management Role**

ISELIN, N.J., October 31, 2008 – U.S. Retirement Partners (USRP), a premier national network of 403(b) firms, has chosen CentreTEK to perform project management functions regarding design and development of the new USRP portal website. CentreTEK will act as an advisor, in coordination with USRP management, and will oversee and coordinate project and technical activities between contracted outside programmers and 3rd party application providers.

“USRP is excited to work with CentreTEK. Our joint efforts will guarantee that our website project will run smoothly,” said Mark M. Skinner, CEO and president of USRP.

“The development of our broader more robust website marks an important step forward for USRP,” said Robert C. Dughi, executive chairman of the board of USRP.

About U.S. Retirement Partners, Inc.

U.S. Retirement Partners, with headquarters in Iselin, N.J., was founded to give regional 403(b) providers the scale and capability of a large national firm to succeed in the K-12 marketplace. By joining USRP, partners have the opportunity to grow their businesses with the marketing, distribution and technology of an independent, national firm.
