## **Aaron A. Means III Joins InRoll**

*Senior Vice President of Operations*

**Iselin, NJ, August 1, 2016** - U.S. Employee Benefits Services Group (USEBSG) announced today that their Texas firm, InRoll, has hired Aaron A. Means III as Senior Vice President of Operations. As such, he will provide operational support for the industry-leading InRoll+ online employee benefits administration system.

Prior to joining InRoll, Aaron held various management positions in the employee benefits and healthcare industry, most recently at Healthsmart Benefit Solutions where he was an Executive Consultant after serving as Vice President of Customer Service and Operations. With his extensive experience and knowledge in this market, he will be a valuable resource for the Employer clients, as well as the brokers and consultants. Aaron will oversee the onboarding process for new business and will manage the Operations staff.

“We are excited to have Aaron join our team. With his operational experience and focus on excellence in service delivery, we are confident of the positive impact he will bring to our growing enterprise,” said Gene Tyler, Managing Partner at InRoll.
