## **USRBP Partners with ASBO for Annual Meeting & Expo**

**Iselin, NJ, September 25, 2018** – U.S. Retirement & Benefits Partners (USRBP) was proud to be an Event Partner at the 2018 ASBO International Annual Meeting & Expo from September 21-24, 2018 in Kissimmee, Florida, participating in the Clinic Table discussions as well as the Exhibits Marketplace. The yearly conference brings together 1000+ school business leaders to discover the latest trends, network with peers, and develop new strategies for meeting their administration needs.

USRBP was represented by Brad Hoard, Managing Partner of its benefits division, U.S. Employee Benefits Services Group (USEBSG), and Kurt Miller, Managing Director of partner firm, BENCOR, Inc. USRBP partner firm and third-party administrator, OMNI, also attended the meeting and held an exhibitor booth.

Brad Hoard said, “This was my first ASBO conference and it was a great experience not only seeing current clients from across the country but meeting people from new prospective school districts. I truly enjoyed hosting a clinic table where I was able to share information and create an open dialog with school officials on new ideas that can help them and their district.

“The annual international ASBO conference is always a pleasure to attend, as it is not only a tremendous venue, but a wonderful opportunity to touch base with clients, prospects and other industry partners from all over the country,” Robert McLean, President and CEO of OMNI.
