U.S. Retirement & Benefits Partners Takes Over Some Services for Regional Third-Party Administrator

Iselin, NJ, February 3, 2023 – U.S. Retirement & Benefits Partners (USRBP) announced today that that it is taking over some of the services of a regional third-party administrator.

Based in the Mid-Atlantic states, the regional TPA, which is primarily focused in the public sector, reached an agreement with USRBP to have OMNI&TSACG Compliance Services take over some of the services they previously provided to their clients. This will allow them to more strategically focus their energy and resources on services more core to their strategy, while assuring a smooth transition into the market-leading platform of OMNI&TSACG Compliance Services, a USRBP company.

“I have known the leadership of this firm for many years, and this allows them to channel their resources to the services that are more central to their strengths,” stated Mark Skinner, USRBP Founder and Executive Chairman. Skinner went on to say, “This is most importantly a significant opportunity for the clients as they will be able to take advantage of the scale and depth of the OMNI&TSACG capabilities.”

“Adding this group of employers allows us to bring a state-of-the-art platform to them while providing industry leading Compliance services,” said Megan Schneider, USRBP CEO.

Brad Hope, OMNI&TSACG Managing Partner added, “We are thrilled to provide our best-in-class services to this group and further extend our presence in the Mid-Atlantic States.”
