John Resor, BenefitVision Managing Director, Announces Retirement

Iselin, NJ, March 15, 2023 – U.S. Retirement & Benefits Partners (USRBP) announced today that John Resor, Managing Director of USRBP Partner Firm, BenefitVision, is retiring effective March 15, 2023.

John joined BenefitVision in 1997 and has been instrumental in planning and managing the company's growth, working closely with BenefitVision Managing Partner, Ronald Kleiman. Resor has been responsible for all aspects of sales, client management, information technology and enrollment in support of BenefitVision's clients. He will continue to serve the organization as a part-time consultant.

Kleiman continues to lead the organization along with Marc Tomlinson, who recently joined the firm as Managing Director. "Having John on our team always felt like such an honor to me," Kleiman noted. "Choosing BenefitVision over his executive position with a carrier, and then leading all aspects of our operations, truly made BenefitVision successful."

Megan Schneider, USRBP Chief Executive Officer, stated, "We thank John for his many contributions to the organization and wish him all the best in his next chapter."
