*BenefitsPRO Broker Expo 2023*

Iselin, NJ, May 10, 2023 – U.S. Retirement & Benefits Partners (USRBP) announced today that Managing Partners, Eric Gilbert of U.S. Employee Benefits Services Group, and Doug Kreszl of National Benefit Partners, served as expert panelists at this year's BenefitsPRO Broker Expo 2023 in Atlanta, GA, May 8-10.

The conference program is specifically designed to address the unique needs of brokers, agents, and advisors, and is consistently attended by hundreds of the industry's most influential benefits brokers to obtain the latest and most practical industry education, tools, and resources to sustain and promote the growth of their businesses.

Gilbert and Kreszl were panelists on the "Brokers and Voluntary Benefits: Updated Industry Trends and Broker Insights" session, which addressed the ever-evolving voluntary benefits industry and the need for brokers to adapt, change, and grow along with the market. The panel of recognized industry experts compared their real-world experiences with the results of an annual joint broker survey on the voluntary market conducted by Eastbridge Consulting Group and BenefitsPRO.
